

CLASS INFORMATION

EST 2007

COURSE runs for 6 weeks and covers:

Toilet training - House training - Yard training

Lead work -sit-drop-wait-come-watch

Biting/Mouthing - Barking/Jumping - Children/Visitors

Vet trips/Grooming - Separation - Travelling

TIME: See email (Sometimes runs over, due to questions at the end of class)

QUESTIONS: All questions are to be asked at the end of class as a group. This saves time and helps class flow

COST: \$150 (Payment can be made on the first night or by direct deposit, info given out on the first week)

WHAT TO BRING: Puppy on a collar and lead (leather or webbed kind) *NO HARNESES PLEASE*

Each week you will be told what to bring to the next lesson

HOW TO GET HERE: See map on our 'ABOUT' section on facebook or our website www.meadwaymutts.com

SUGGESTIONS: On the first night plan to be here a "little" early due to confusion/parking/paperwork etc. You may like to walk your puppy around the grassed area to have a sniff. If they do a poo please clean up after them. (Pooper Scooper and Bucket provided **NO POO BAGS PLEASE**)

ANSWERS TO SOME QUESTIONS:

AGE: Best time to start training a puppy is from 8 weeks on.

A Puppy Class has puppies from between 8-30 weeks

CHILDREN: Are welcome but of course to be under supervision at ALL times. Yes we do involve them AGE depending

VACCINATIONS: It is best that your puppy has had its first 2 vaccinations before attending class. If you are unsure please discuss this with your vet.

HEATING: Our training room is heated for those cold nights.

We look forward to helping you on the way to having a well behaved dog!
